"My daughter, the true name of this Feast should be Feast of the Divine Will."

Book of Heaven, Volume 18, August 15, 1925

"My blessed daughter, today is the Feast of the Assumption. This is the most beautiful, the most sublime, the greatest feast, in which We remain more glorified, loved and honoured. Heaven and earth are invested with an unusual joy never experienced before. The angels and the saints feel invested by seas of new joys and new happiness, and they all praise with new songs the Sovereign Queen, who in her empire, reigns over everyone and gives joy to everyone. Today is the Feast of feasts, the unique one, the new one, which was never repeated again. Book of Heaven, Volume 36, August 15, 1938

"You should know that every time that the creature gives herself to us in the power of our Volition, we give ourselves to her... And then if she might not feel the need of giving herself continually to us it is a sign that she doesn't love us, and her heart is not in possession of our irresistible Love. This is the sign of true love, wanting to give oneself always, almost in every instant to the beloved"

Book of Heaven, Volume 34, June 18, 1937
